This Amendment is in response to the Commission's letter dated March 5, 2015. The Debt to Visa referenced, was satisfied in August of 2014, and should have indicated as such on the original filing of this report. Amendments will be forthcoming for subsequent reports affected by this amendment. The excessive contributions from Diane Alexander and IBEW PAC Educational Fund have been transferred to the Committee's non-federal account. The excessive amount from Diane Alexander was due to a previous amount received through the Nunn Victory Fund joint fundraising committee, and the MEMO information was received after the \$850.00 contribution. However, the JFC contribution was made beforehand. The IBEW PAC Educational Fund is not a Federally Registered Committee. There was no indication on the contributor's check that it was non-federal. None of the Transfers from the Democratic Congressional Campaign Committee, the Democratic National Committee, and the Democratic Senatorial Committee were designated for a particular candidate, nor to specifically fund any activity. All activities listed as 'Exempt' were permissible. The Coordinated Party Expenditures made on behalf of Mary Michelle Nunn that exceeded the limitations under 30116(d) were done with authority ceded to the Committee by the Democratic Senatorial Campaign Committee (DSCC). The Committee's reporting software - NGP, does not permit either the checking of the box for this, nor does it permit the entry of the DSCC as the designating committee on Schedule F. However, a text note has been added to those payments where ceded authority from the DSCC was utilized. Payments for 'Payroll,' 'Payroll Taxes' and 'Health Insurance' on Schedule H4 are for those individuals who did not spend more than 25% of their time during the period on activity in connection with a federal election. Payments for 'Payroll' and 'Payroll Taxes' reported on Schedule B supporting Line 21(b) are for paid canvassers that did not spend any of their compensated time in a given month on Federal Election Activity or activities in connection with a Federal Election. The prices paid for voter file purchases are established using comparable prices charged by other state party committees throughout the country on a per record cost. The exact price paid to the Committee by each entity is determined by multiplying the per record cost by the number of records provided in the file purchased.

The image shows three separate boxes, each representing a part of a date. The first box contains the letters 'M' and 'M' with the number '09' below them. The second box contains the letters 'D' and 'D' with the number '09' below them. The third box contains the letters 'Y' and 'Y' with the number '2014' below them. The boxes are arranged horizontally and separated by slashes, forming the date 09/09/2014.
